re: Mottern v. Peekskill Housing Authority, 07 CIV 6132 (WP4)(LP)(CLB)

Dear Judge Preska,

As Part I Judge, your Honor was to hear plaintiff's request for a preliminary injunction in the referenced matter tomorrow at 10:00 A.M. I am enclosing a letter just received from the defendant advising Judge Briant [who signed the Order to Show Cause of June 29, 2007] that it was retracting the ban which had prompted our request for injunctive relief.

With receipt of this letter and with Mr. Mottern's knowledge and approval, I am withdrawing plaintiff's request for entry of a preliminary injunction as moot. Defendant has agreed to the requested relief and there is no reason to burden Your Honor with this matter.

We much appreciate Your Honor's willingness to hear and consider this matter.

Respectfully,

Michael H. Sussman
